Volume 3, No. 1

March, 1970

Hello, Cousins,

Doesn't time pass quickly? The holidays are long past, and we sincerely hope that all of you enjoyed them, and that good health has been your lot in this year of 1970.

We received a letter from Jewel and Mareda (Weedman) Wright, with the news of the 50th Anniversary of the marriage of Claude and Lorene (Davis) Weedman, on December 20, 1969. They had open house at their home near Horse Branch, Kentucky. Claude is a brother of Alton and Sherman Weedman, whom we visited two years ago, and a descendent of JOHN WEEDMAN, son of Christian. Claude and Lorene were married Dec. 20, 1919. They have six children and nine grandchildren. The following people attended the open house:

Mr. & Mrs. E. Jewel Wright, Wilmer and Dorothy E. Weedman, Carroll and Pearl Weedman, Harroll and Deverelle (Coy) Weedman, Mr. Jimmie B. Weedman, Marshall T. & Dorothy Geary, Deborah, Dennis, Sondra and Jeffrey, Lindell C. Weedman, Tommy, Tammy, Terry and Steven O. Geary. (These are the 6 children and their spouses, and the nine grandchildren of Claude and Lorene. Others who attended were: Sherman and Dorthene (Mudd) Weedman, Mrs. Mortie Stewart, Jessie and Bulah Johnson, Mr. Roy Morris, Loriece and Mary Morris, Shannon L., Lowell B., Paul T., and Roy M., Morris; Clarence and Christine Worley, Mr. Vonnie Daugherty, Herman and Mary Wilson, Mrs. Marie Dale, Edwin and Mary Howell, Mr. Robert E. Cook, Mrs. Emma Torrence Mr. & Mrs. Joe Van Roberts, Mr. P. V. Roberts and wife, Mark, David, Stan and Van Roberts; Mr. W. B. Albin, Mr. Larry Burdin, Mr. & Mrs. Carl Hurt.

I would venture to say that most of these are relatives and that they are descendants of JOHN WEEDMAN. Others are related by marriage. We are happy to receive this detailed letter from the Wright's. Will put the picture of Claude and Lorene in our Weedman scrapbook.

On Saturday, February 14, at 7:00 p.m., Andrea Montgomery, daughter of Paul and Marianne Montgomery and Lawrence Kershner, son of Mr. & Mrs. Vernon Kershner, of Puyallup, Wash., were married at the First Covenant Church of Tacoma. There were three brides' maids and three groomsmen, and 175 attended the reception which followed in the church parlors. The newlyweds are in Germany now, where Larry is stationed. They will come back in 18 months to the States. Andrea was radiant and happy as they left. She is descended from DANIEL WEEDMAN. We surely do miss her. She is the last one to go now. I just finished going through the past WEEDMAN NEWSLETTERS and see that we have not added our family in detail under the descendants of DANIEL WEEDMAN. We will do so in this or the next newsletter for sure.

The Weedman Index for the Newsletters of 1968-69 needs only to be alphabetized. All the names are ready, and I have alphabetized them up to J. I know I had promised them January, and so I will not promise again, but let me say that we HOPE you will receive them before you receive your June Newsletter. I should have more time now for this project.

Received a nice letter with their family tree charts from Mrs. Jesse (Oletta T. Hill) Weedman. I'll share the family information with you. This family is descended from JACOB WEEDMAN.

The JOHN, DANIEL and JACOB mentioned here are brothers. There are other Weedmans with these names who will be mentioned from time to time in these newsletters. I try to keep you informed as to which is which. On the following pages, we will be writing about descendants of a GEORGE WEEDMAN of Pennsylvania, continued from December's Newsletter. So far, only Mrs. Frances Miles is the only receiver of the Newsletter from that family.

Five of the Weedman brothers - sons of John, mentioned above, Asa, George, John Jr., Amos and Isaiah, took part in the overland trip to California, made by a group of prominent Santa Anna (Illinois) citizens early in 1850. After one year in the West, the Weedmans returned to Illinois.

<u>Lucy A.</u> b.	d.	aged 3 years.
<u>Jacob</u> b.	m.	<u>Alemeda Slick</u> . They moved to Denver, Colo.

Asa was born in Perry Co., Ohio in 1817. In 1836 he married Delilah Hand. This event occurred in Illinois. Probably McLean County. They moved to DeWitt County, and raised a family. We know of only one son, Phillip, born in 1844 in DeWitt Co.

John Weedman, Jr., brother of George and Asa, was born in Perry County, Ohio, Feb 3, 1828. Like his father and brothers, John Jr. was a farmer, and a very successful one at that. He married Mary A. McDonald on March 31, 1853. Mary was the daughter of Thomas and Rebecca J. (Erwin) McDonald. Thomas was born in Tennessee in 1802. Whether or not John Jr. had children, we know not. As more comes on these Illinois-Ohio branches of Weedmans, it will be added.

Another son of John and Rachel Wilson Weedman Jr., was Capt. Zodac C. Weedman. He was born July 3, 1836 while his parents were living near Heyworth, McLean County, Illinois. Most of his education was, however received in De Witt County, Illinois, where he took farming except for some time during the Civil War when he served as an officer with Illinois regiment. He was married near Farmer City to Miss Rebecca D. Wolfe, a native of Clark Co., Ohio, where she was born January 4, 1836. Her parents, Joseph and Mary (Lemmen) Wolfe met in Clarke Co., Ohio; married there and moved to DeWitt Co., where Zodac and Rebecca met. To them was born one child, a son, Lawrence W. Weedman. Zodac died in DeWitt Co. Dec. 11, 1887, having taken an active part in the social and agricultural growth of the county. He was a Republican. ✓

We will add more from this Illinois branch of Weedmans.

The following are some early marriages of McLean Co., Illinois extracted from "McLean Co., Illinois Marriages - 1831-1841" as compiled by Milo Custer, Bloomington, Illinois. "l.o." indicates license only, with no record of marriage. McLean County during this period included parts of Woodford, Logan, Piatt, Livingston and DeWitt Counties.

Weedman, Charity - Robert H. Rutledge	June 9, 1831
Weedman, Harriet - William McCord	February 8, 1838 ✓
Weedman, Asa - Delilah Hand	October 20, 1836 ✓
Weedman, George - Phoebe Holsey (l.o.)	May 7, 1838 ✓

Thanks to Parmula Weedman for the above family sketches and the marriage information on the Illinois Weedmans.

In the mail the other day I received a letter from Mrs. Eileen Lynch Gochanour. She was asking if we could help her find out who her ancestor, Elizabeth Weedman was descended from. Seems Elizabeth was born in 1791. In 1812, Elizabeth married Hosea Stone. Hosea was probably born in Henrico Co., Virginia, as was his brother, Aaron Stone. Hosea met Elizabeth in Greyson Co., Ky. Mrs. Gochanour mentions that Hosea and Elizabeth (Weedman) Stone had 6 children. Elizabeth died in 1825. Hosea remarried and fathered 12 more children. There must have been many Stones in Greyson County. Can anyone help with the Stone family? She has most of the descendents, but wants to know more about the ancestry of Aaron and Hosea. I am sure Mrs. Gochanour would gladly exchange information. Her address is: Mrs. Eileen L. Gochenour, 7419 Manor, Dearborn, Michigan, 48126.

Was Elizabeth a daughter of CHRISTIAN WEEDMAN? Or was she a daughter of JOHN WEEDMAN who may have been a brother of Christian. We do know that Christian had daughters, as we have found him in the 1790 and later censuses. In 1810 he was the only Weedman living in Greyson County. He was joined later by a John Weedman who had formerly lived in Fayette County, Kentucky. I found this out by studying the tax lists of Fayette and Greyson Counties, because I was informed by Gena Theiss that there was a John Weedman in the 1800 census for Kentucky. (tax list census).

In the Cannelton (Ind.) Tuesday News of March 3, 1970, appeared the picture of Mary Phyllis Weedman, known better as Phyllis. She is a senior at Cannelton High School, and is the daughter of Mr. & Mrs. James Weedman of Cannelton. She attends Gospel Tabernacle Church, and plans to attend a beauticians school after graduation.

WEEDMAN NEWSLETTER

Volume 3, Number 2

June, 1970

Hello, Cousins,

The Newsletter will be a little late this time due to our having gone on our vacation during the last two weeks in May and the first two weeks in June. We went to Sacramento, San Francisco, and Los Angeles, California, Phoenix, Arizona, and Grand Canyon, Zion National Park in Southern Utah, then on to Rifle, Colorado. After Rifle, we came home by way of Salt Lake City, Utah, where we spent three days in the Genealogical Library there. Paul got a touch of flu (or something) there, and we headed straight for home after he had gotten a good sleep. We met Doris Kizer, a descendent of GEORGE WEEDMAN through his son, Nicholas. We met her in Los Angeles, which is close to Fullerton where she lives. We spent a nice day at the Los Angeles Public Library looking for our family tree. I sincerely hope that more of you can meet Doris. She has contributed much material for the Newsletter, and you'll recognize that quality in her which is in everyone we have met so far in the Weedman family, warmth, graciousness, kindness..... we could brag on and on. If any of you are out that way, do call on Doris. You have her address; she'll be glad to meet you. We missed seeing Edna and Guy Weedman. We wanted to see them, but Paul wasn't feeling well. In fact, he's been having sort of sick spells rather suddenly they come on, off and on for the past two years. They seem to go in two or three days, but we do not know just what is causing them. Maybe the flu, or do you think it could be air pollution or water pollution?? Don't you know quite a few people who seem to get this thing we all call "flu" quite often?

We had radiator troubles beginning at or near Bend, Oregon, and found out after we got home that it was caused by the mechanics who had worked on it before we left Tacoma, didn't screw down something right. I don't drive, and don't know the parts of the car, so can't explain it, but it had gradually gotten to where it was leaking pretty badly. We kept it filled and made it home okay. After Paul had another long rest, he felt okay again.

The obituary of Jeff Weedman, 73, of Rt. 3, Hardinsburg, Ky. occured in 1968, and why it hasn't been printed before now, I don't know. The clipping was sent by Jake Weedman of Tell City, Ind. But better late than never, for no doubt many of you knew Jeff. Too late to send cards, of course, but the news will be of family interest.

JEFF WEEDMAN, 73, of Rt. 3, Hardinburg, Ky., died at 3:30 a.m. Friday, Sept. 20, 1968. Surviving are his wife, Ethel, daughters, Mrs. Hobert Sanders of Fordsville, Ky, Mrs. Carrol Schmidt of rural Cloverport, Mrs. Charlie Decker of Hawesville, Mrs. Ivan Bolin of Cannelton, and Dorothy Weedman of Rt. 3, Hardinsburg; five sons: Leonard and Jeff, both of Cannelton, Jimmie, Roy and Ernest, of Rt. 3, Hardinsburg; 35 grandchildren and two great grandchildren. Services were at Clover Creek Baptist Church. Burial was at the church cemetery. Dhonau Funeral Home of Cloverport was in charge of the funeral.

I just found this clipping in my folder of Weedman material. Can't find anything here to be able to tell you how Jeff Weedman fits into the family tree, but I will have this for you in the September Newsletter. I'm expecting one of you who knows, to write me before Sept. and tell me something about Jeff. Thanks.

In our anxiousness to put down the different Weedman family trees, we neglected to put down our own! So, in response to reminders from some of you, here is Paul's Weedman line.

DANIEL, son of CHRISTIAN WEEDMAN, was born Aug. 27, 1801, died Aug. 22, 1854, married Nancy Spurrier, about the year 1820. (See Sept. 1968 Newsletter) Their son George Glascock Weedman, who married Margaret Ann Baysinger, was the father of Nancy Weedman. Nancy went by her middle name of Susan or Susannah, and is listed thusly in the application James Huff filled out for their marriage. This marriage took place on January 23, 1879. Their children are listed in Sep. 68 Newsletter. And, while you have your September 1968 Newsletters open to the 3rd page, please change the wording down the page where it says "Of George Weedman's descendents" to read "Of George Weedman's children....."

Page four lists the Huff children of Nancy Susan's marriage. It also lists their daughter, Mandana Huff Montgomery's children. That's where Paul comes in. On July 3, 1933, Paul married Alta Stainbrook, daughter of Nelson and Minerva Jane (LeMay) Stainbrook. Their children:

<u>Eugene Paul Montgomery</u> b. Sept. 8, 1934.	Sept. 11, 1960 - <u>Yone Takayama</u> (Okinawa)

David Allen Scott, b. 13 Jan. 1943

I am missing some of the dates and names of the families of Mildred's children so will get them and write up their families in a later Newsletter. Mildred, by the way, is Paul's sister. Wish you could know her personally. She has many hobbies. Painting, sculpturing, weaving, dressmaking, gardening, to name a few. She is a registered nurse in Des Moines, Iowa. To cut down expenses of auto repairs and tune-ups, she went to mechanic's school, and learned to do it herself. She has a positive attitude about life.

About the Index for 1968--69. I have all but the typing done now. I have 3 pages typed, and will finish that job as soon as I have finished this Newsletter. If it isn't included with this newsletter, it'll be in a separate mailing as soon as I get it back from the printer.

George and Gena Theiss had daughter Nancy Hill and children Malinda and Sharon Lynn at their home for a few weeks. Sharon was born August 24, 1969, just a week after George and Gena got back from their trip to the southwest last summer. Nancy's husband, Tom has been transferred, and he left for Weisbaden, Germany, on March 20. George and Gena drove Nancy and the girls to McGuire Field, New Jersey, on May 4, and at 10:00 p.m. they waved goodbye as Nancy and children flew to Germany to join Tommy. They'll be gone for three years.

While the Theiss's were up north, they drove to Geneva, New York, where they visited another daughter, Patricia (Theiss) Turner, and husband, Chuck. They had a nice trip, although it was sad, we know, to see the Hill family go so far away. Perhaps Nancy and our daughter, Andrea can get together over there. Andrea and husband are stationed in Budingen, which is 15 miles from Frankfurt.

Gena writes, "I believe we will find that CHRISTIAN WEEDMAN had two brothers; JOHN and GEORGE." We had wondered if it might turn out that the GEORGE WEEDMAN, who went from Pennsylvania to Perry County, Ohio, (Dec. 1969 - Mar. 1970 Newsletters) might be a brother to CHRISTIAN. The JOHN she mentions is that JOHN who moved from Fayette Co., Ky to Greyson Co., Ky. between 1810 and 1820. By studying the year by year tax lists, I have found out that CHRISTIAN WEEDMAN lived in Fayette Co., Ky. in 1793. So did JOHN. They both are mentioned as tax payers in 1794, 1795, 1796, and 1797. In 1798 only JOHN is mentioned, from that year on. CHRISTIAN turns up again in 1800 in Hardin County, Ky. In 1809 the county was divided, and CHRISTIAN's land is in Grayson County. CHRISTIAN is mentioned every year and JOHN shows up in 1814. The last year that CHRISTIAN is mentioned is 1831. The tax lists for 1832 were lost, and in 1833 JOHN is still there, and Willis and William are added. Another John shows up in 1841, and the first JOHN is not there in 1843. But the second John is, and also Willis. I did not have any further than 1844 on the film that I got this information from.

Now, if the William mentioned above is not the same William who moved to Perry Co. Indiana, then we can figure out that he is a son of JOHN. But I want you to think of this, too. the JOHN who showed up in the Greyson County Tax lists in 1814 could be a son of CHRISTIAN if he was born about 1793.

The Willis mentioned above could not be the Willis who married Cassa Collard, (see July 1968 Newsletter) because he showed up in 1824 in the tax lists. He had to be an adult at that time. The above Willis was a son of CHRISTIAN, perhaps. You may wonder (as I do) how many sons did CHRISTIAN have? The following census figures will give a clue, and to the ages of the boys:

1790 - Fayette Co, Penna. German Township

Weedman, Christian 1 male under 16, 3 males over 16, and 5 females.

1810 - Grayson Co., Ky.

Weedman, Christian 5 males under 10; 2 boys 10-16; 1 man 26 to 45.

1 girl 10-16; 1 woman 26 to 45.

The 1800 Kentucky Census was destroyed by fire, and the tax list used as a census for that year doesn't list the children in the home. So, by looking at the above figures, you can see that he could have had 7 sons. CHRISTIAN and wife must have been almost 45 at the time the census for 1810 was taken, because in 1830 their ages were listed as between 60-70. The "3 males over 16" mentioned in the 1790 census, likely referred to CHRISTIAN and two brothers, or, perhaps no relation to him, because we can see by his age (60-70 in 1830) that he couldn't have children of his own over 16 in 1790. The male under 16 was likely his son JACOB, who we believe to have been born about 1783

1820 - Grayson Co., Ky.

John Weedman - 1 male under 10, 1 male 26-45.
1 female under 10, 1 female 26-45.
William Weedman -- 1 male under 10, 1 male 16-26
1 female 16-26.

1830 - Grayson Co., Ky.

Christian Weedman - 1 male, 10-15, 1 male 60-70
b 1765 - 1 female, 60-70
John Weedman - 1 male 15--20, 1 male 30-40
b 1790-1800 3 females under 5, 1 female 5-10, 1 female 10-15, 1 female 30-40
Willis Weedman - 1 male, 20-30

184C - Grayson Co., Ky.

John Weedman - 1 male under 5, 1 male 30-40, 1 male, 40-50
2 females under 5, 2 females 5-10, 2 females 10-15, 1 female 40-50.

Where was Christian in 1820? Census taker could have missed him. Or, he could have gone somewhere else, but likely didn't, because he was in the 1820 tax list. What other conclusions do you draw from reading these censuses? Jot them down and share them with me. We'll add 1850 and other censuses in the next Newsletter.

Received a letter from Parmula Weedman full of information for the Newsletter. Since this is page 4 already, I'd best save it for the September issue. Some of the descendants of Jacob, son of DANIEL and Nancy (Spurrier) WEEDMAN are included. She also shares a letter from Chestina Stewart of Paxton, Illinois. Another letter is included from a Walter G. Weedman who wrote that his great great grandfather was Olaf Weedman of Ockelbo, Sweden. More on this next time.

Received a letter from Sadie Weedman with the family of Samuel E. Weedman inclosed. We were thrilled to get that, for we have tried to locate that family. Samuel was Paul's great-uncle. Sadie also sent a clipping telling us of the June 6th wedding of Miss Mary Phyllis Weedman, daughter of Mr. & Mrs. James Weedman, Cannelton, Indiana, to John T. Dickenson, son of Mr. & Mrs. John A. Dickenson of Cannelton. The wedding took place in the Gospel Tabernacle in Cannelton. Rev. Carter Foster officiated. A reception followed immediately at the I.U.E. Local 805 Union Hall. Mary Phyllis graduated this month from Cannelton High School. Congratulations John. Best wishes to both of these young people as they embark on the sea of matrimony.

Lajuana Weedman is in the news again. She was chosen church youth-of-the-month. She is the daughter of Mrs. Vadie Weedman and the late William Weedman of Cannelton, according to the clipping I have before me. The last clipping concerning Lajuana was a High School personality of the week write up, and that clipping said her father was the late Mose Weedman. We need Jake and Nelda Weedman to straighten us out on this one. An error has occurred, and watch for Sept. Newsletter for this to be cleared up. Help, Jake & Nelda!! The article goes on to state that Lajuana is the all-round musician for the Gospel Tabernacle, including pianist, soloist, group singer and accordion player. She attends Sunday School regularly, and is highly commended by her church pastor. Congratulations to Lajuana.

Thanks, everyone for remembering us, and sending your news. Keep it coming. You are keeping the WEEDMAN NEWSLETTER going. Have a nice summer.

Volume 3, Number 3

September, 1970

Hello, Cousins,

Hope you all had a nice summer. We did. It's been a busy one, but a most enjoyable one.

The yearly Weedman reunion was held again this summer at the old Weedman home place at Caneyville, or I might say, outside of the town of Caneyville, out where Sherman and Alton Weedman and their families live. These cousins are most hospitable, and we hear there was a wonderful gathering there, and that a grand time was held among the Weedmans and guests there. Sorry to hear that Alton Weedman has been ill lately. We haven't heard from Lena lately. Know she is busy but let us remember Alton in our prayers. Gena and George Theiss and family went to the Weedman reunion this year for the first time, and wrote that they had a wonderful time.

George and Gena Theiss have been on an extensive vacation this summer. They went up to New York and Pennsylvania as well as other points north.

We had a letter from Jake Weedman. He cleared up the reason of two different names given in the Cannelton Tuesday News for the late father of Lajuana Weedman, the young teenager with so much musical talent who lives in Cannelton. Mose and William Weedman are the same man. His name was William Moses Weedman, called by many Mose.

I wrote to Lajuana Weedman, asking her if she'd make me a tape recording of her singing and piano playing. She wrote that she would, and I mailed a tape to her right away. I know we will be mast happy with a tape of Lajuana's musical talent.

Thanks to Constance Weedman, Sadie Weedman, and Edna Dovel for recent family charts. Thanks to Syd Gardner for census records of Weedmans. Syd's new address is 1604 E. Turin Avenue, Anaheim, Ca. 92805. Remember, he is working on the CRECELIUS family tree, and would appreciate any help we can give him.

In June's Newsletter, on the first page, we printed the obituary of Jeff Weedman. We asked if anyone knew which line of Weedman's was Jeff's line. No one responded on that question, but I believe he'd be kin to the Meade County Weedmans that you will see on the following pages, contributed by Syd Gardner. Meade is near Fayette and Grayson Counties, and I would be almost positive that the Meade County Weedmans are of the same family as the Grayson County Weedmans.

In the Index we sent you, the name of Donna Weedman, 17 year old daughter of Jake and Nelda Weedman was omitted. Donna was born Jan. 15, 1953. She will be a senior this fall in High School. Jake and Nelda live in Tell City, Indiana, and Donna attends Tell City High.

Please note the page numbering change. This is to make indexing the Newsletter easier. Everybody make the change on your June Newsletters. Thanks.

In June's Newsletter, some census records were listed. These will be repeated here in order to be seen at a glance and compared with others for the same year in different places. Gena Theiss found Christian Weedman in the 1820 Grayson Co. Census, whom we couldn't find. She found him listed as Christopher Wedeman, but we believe this to be Christian. In my searching, I find in more than one instance the names Christian and Christopher used for one and the same person. I believe the mix up is due to the knick-name for both being Chris.

Following are all the census records we have on hand at this time.

1790 - Pennsylvania:

Will continue on for an extra page to get in more censuses. Won't be able to get the 1870 ones in, but if you get any more before December, send them, and we'll try to get them all in December's Newsletter. Would like to check into Littleton, Colorado 1880 for Weedmans. Please check any indexed censuses in your libraries.

These are all I have in the 1860 census. The one I looked at was so hard to read, I didn't try to go on, but perhaps your library has one of the new 1860 censuses. If so, I'd like the WILLIAM WEEDMAN families (descendents) whom I know were in Perry Co. in 1860. Next time will finish these censuses. In 1971, God willing, I want to share with you the wonderful material sent me by Parmula Weedman, which meant a lot of letter writing on her part, and a lot of copying so that I could have a copy. All material you send will be printed, sooner or later, as space permits. Thanks a lot.

Till next time, and with Love, your cousins,

Paul + Marianne

WEEDMAN NEWSLETTER

Volume 3, Number 4December, 1970

Hello, Cousins,

Time to wish each and every one a Merry Christmas and a very Happy New Year. We hope this season finds you and yours well and happy. We do have two new additions in the Baby department. Both from the descendents of DANIEL WEEDMAN. Through Daniel's son, Jacob, a descendent, John Eric Jefferys, born October 6, 1970. Jacob's brother, George Weedman's new descendent is Cordell Anthony Bunton, born October 16, 1970 - Paul's grandson. John Eric's grandparents: John K. & Helen Lois Weedman Conklin. "Lois" is the daughter of Connie Weedman, widow of John.

Mr. & Mrs. Wickliff Davison celebrated their 50th Wedding anniversary on November 29, at Derby, Indiana. Celebrating at the same time were: Mr. & Mrs. Maurice W. Davison, and Mr. & Mrs. Haskell (Mary Lee Davison) Dennison. These last 2 couples celebrated their 25th wedding anniversary the same day as their mom and dad.....a real family affair. Wickliff Davison is the son of Joe and Mary E. Weedman Davison, and Mary was a descendent of WILLIAM WEEDMAN. May these couples enjoy many more.

George and Gena Theiss had a lovely summer vacation in the cool northern states. They visited Pennsylvania, New York, and went on up to Canada, where they saw the best view of Niagara Falls. They visited their daughter, Pat and family and other relatives. Gena sent me a nice picture, showing her and George at the Canadian side of Niagara Falls. Received some nice pictures of Connie Weedman and her family - two four generation pictures which we do enjoy so much. Connie's family will be listed in March's Newsletter, along with several other additions we have received.

Mr & Mrs. Alton Weedman announce the marriage of their daughter, Erma, to Mr. James R. Duvall, son of Mr. & Mrs. Ellis Duvall of Caneyville. The wedding took place October 16, 1970, at 7:30 p.m. at the Pleasant Valley Baptist Church. Many friends and relatives were there to wish the young couple a happy life, and we send our best wishes, too.

Donna Weedman, senior at Tell City High, and daughter of Mr. & Mrs. Jake Weedman, Tell City, Indiana is a busy girl these days, and a very popular girl, too. She is a cheer leader at her school, an honor student, belongs to the Future Secretary's Club, and has received other notices of achievement, written up by the Tell City News. We're proud of you, Donna.

Sorry that we are so late getting the Newsletter out this time. I strained some muscles in my back, making it difficult to get around and get things done. Therefore, I got behind. I wonder if I am leaving out some important news. Please send in your news, cousins. Any births, deaths, marriages, engagements, and other family news is needed. Also, be on the lookout for WEEDMAN history.

We will now continue the census reports we started in the September Newsletter. Any additional censuses will be reported as they are received.

1820 - Ohio Licking County, Bowling Green Township

Weedman, John 1 male 45 or up; 1 female 45 or up (age)

Hopewell Township, Perry County

Weedman, Jacob 1 male between 16-26 1 female under 10; 1 female between 16-26. ✓
 Weedman, George 1 male 16-18; 1 male 16-26; 1 male 45 and up; 1 female under 10;
 1 female 10-16; 1 female 16-26; and 1 female 45 and up.

1830 - Ohio Hopewell Township, Perry County

Wiedman, George 1 male 50-60; 1 female 20-30; 1 female 50-60
 Wiedman, John 3 males under 5; 1 male 5-10; 1 male 10-15; 1 male 30-40
 1 female 5-10; 1 female 30-40
 Wiedman, Catherine 3 males under 5; 1 male 5-10; 1 female 5-10; 1 female 10-15;
 1 female 50-60.

You will notice the John Weedman in the 1820 census, for Bowling Green Township, Licking county? He was not in the 1830 census, and he was not in the Hopewell Township census, either. The John that is there is John Jr. (or at least a younger John that the John would be who was in Licking Co., in 1820. My guess is that Catherine may be the widow of that John. Jacob, too, is missing, but Catherine is too old to be the widow of Jacob. Notice that the census taker spelled the name Wiedman in 1830.

On page 11 of September's Newsletter, fill in this information for the 1840 Indiana Census - Perry County:

for Daniel Weedman - 1 male under 5; 1 male 10-15; 1 male 30-40; 1 female under 5, 1 female 5-10; 1 female 10-15; 1 female 30-40
 for Stephen Weedman 3 males under 5; 2 males 5-10; 1 male 10-15; 1 male 30-40;
 1 female 20-30.

Was Stephen related to Daniel? We see that Stephen is in the 1850 Kentucky census for Meade County, and as you look it over, you will see that this is the same Stephen Weedman. Another question is where was William Weedman in 1840? He was a brother of Daniel, and supposedly in Perry County about that time, but perhaps he was still in Grayson Co., or maybe he was just not at home when the census taker came by. We know that they miss a lot of people each time the census is taken.

" Alice	11	f.	Ky.	"

Mary Jane Weedman married William Probus, and they raised George W. and Alice Weedman, children of JOHN & Elizabeth Weedman. JOHN WEEDMAN was one of the sons of CHRISTIAN WEEDMAN. John was born probably in 1791, as he was 68 in June of 1860 at the time of the census. No doubt he was dead by 1870, and so George and Alice were raised by their aunt and uncle.

As we look this census over, we might conclude that Mary Weedman, born Virginia, could be the mother of Attison, since his house number is 16, and hers is 17, probably right next door. Also, Nancy Brown, living with the Mordecai Weedman family could be the mother of Barbara. If so, we'd know that Barbara A. Weedman's maiden name was Brown. This is merely a bold guess, as we do not know. These were furnished by Mike Gardner, and he states that Meade Co. seat and the Co. seat of Grayson Co., are only about 35 miles apart as the crow flies. No doubt that indeed, these Weedmans are related to the Grayson County Weedmans, and just how, we will no doubt find out before long.

The above are WILLIAM WEEDMAN descendents, and they lived in Union Township at the time this census was taken. Will continue the 1880 Indiana census in the March Newsletter. Now for the good news which I have saved till last. Doris Kizer sent me the following information which she had received from a friend who copied it for her from a film of wills and probates of Fairfield Co., Ohio. In the Index, it listed Weedman, Christopher, last will - 225. 225 turned out to be J. Christian Weedman's will!! He died in 1811, and it is safe to assume that he is indeed the father of CHRISTIAN WEEDMAN.....at last.

Abstract:

Wife, Elizabeth, all estate either in case, bonds, goods or chattels of every kind after paying the several sums here after mentioned, and at my wifes decease, whatever remains of said estate is to go to the use of Andrew Walters, or his heirs. To my daughter, Mary Meyers, the sum of \$100.00 to be paid in two years after my decease. I give and bequeath to my daughter, Barbara Riffle, the sum of \$1.00 to be paid as above. To my son CHRISTIAN WEEDMAN sum of \$1.00 paid as above, my daughter Elizabeth Murphy, \$1.00 paid as above, unto my sons John Weedman, George Weedman and Isaac Weedman, \$1.00 each, as above, to my daughter, Margaret Weedman, \$100.00 paid as above, to my daughter Catherine Keifover \$1.00 paid as above, I hereby appoint my trusty friends, wife Elizabeth Weedman and Andrew Walters full and sole executors. Witnessed by William and Samuel Boyles. Probated 13 Sept. 1811.

It is plain to see that J. Christian Weedman's children were grown, as we find some of them in the Ohio censuses of 1820 & 1830, and Christian is in Ky. by this time. So we can assume that Christian's father went out to Ohio from Pennsylvania. I am sure that it is our Christian's family, because in Fayette Co., Pa., we find the Walters, the Meyers, and the Riffle families. Some of these same families are also down in Grayson Co. Ky. HAPPY NEW YEAR!
